

The Old Endowed School (TOES) – Hiring Conditions

TOES is a charity established to serve the community of Rodborough. The Old Endowed School Building is available to hire by individuals and community groups for ad-hoc events and for regular use.

The Old Endowed School Building is owned by the Parochial Church Council of St Mary Magdalene Church. The Building is managed on behalf of the community by the TOES Management Committee. Enquiries about potential hire for the building may be made to the Hirings Administrator, Louise Ratcliffe (Tel 01453-752265) or email theoldendowedschool@gmail.com.

A Hirer is any person, group or organisation hiring all or part of the The Old Endowed School Building.

Hiring does not grant any interest or estate in the premises.

Within the building are a number of different rooms and facilities that may be rented independently or together by groups of Hirers. The rates for hiring, and the terms and conditions for Hirers are set by the Management Committee

APPLICATION TO HIRE TOES

- Application to hire TOES for an event should be made to the Hirings administrator
- The right to refuse any application to hire the facilities is reserved to the Management Committee. The Committee may refuse an application if the proposed event presents a risk of public disorder or of alienating TOES' owners, beneficiaries or supporters.
- All arrangements for use of TOES facilities are subject to the right of the Management Committee to cancel bookings when the premises are required for public use, for example as a polling station or in support of a Civic Church Service, or when the premises are unfit for the hirers intended use. Regular hirers may also be asked to agree to a temporary change of facilities to accommodate the needs of other customers.
- Hirers who plan to hold an event that requires an alcohol licence, gaming licence, performing rights licence or video licence must state this at the time of application. Permission will normally be granted, but as the number of Temporary Event licences granted to TOES is limited, prospective hirers are advised not proceed with detailed event planning until their booking is confirmed
- Bookings are not confirmed until the hire fee has been received and a booking confirmation note issued and, where relevant evidence of appropriate public use licences has been provided.
- Hire fees are shown separately. They are reviewed annually by the Management Committee at the first Management Committee meeting following the Annual General Meeting. The new rates will apply from the beginning of the next calendar month. Changes to hire fees may exceptionally be made at other times at the discretion of the Management Committee to reflect changing circumstances.

- Applicants to hire must be over 18 years old and will be held responsible for seeing that the terms of hire are adhered to by all users at their event.

HOURS OF USE

The Building is normally available for use between 8 am and 11.30 pm each day. Hirers are asked to be considerate to TOES neighbours when arriving and leaving the premises, particularly with regard to noise levels.

Temporary extensions to hours of use may be granted by the Management Committee, but neither live entertainment nor use of amplification equipment is permitted after 11.30 pm

SETTING UP & CLEARING UP

Any time required for setting up and clearing up must be included in the booking and will be charged at the relevant hourly rate.

MAXIMUM CAPACITY

The upper hall will accommodate up to 120 people (70 seated at tables). The larger ground floor hall will accommodate 50 (30 at tables) and the smaller downstairs room 35 (20 at tables).

It should not be assumed that a booking ensures exclusivity in any area although every reasonable step will be taken by the Management Committee to ensure any private function is not disturbed.

Agents of the Owners and members of the Management Committee have a right to enter the premises at all times.

HEALTH AND SAFETY

The Management Committee give no warranty that the premises are legally or physically fit or suitable for the Hirers purposes and the Hirer must satisfy themselves as to the suitability before committing to hire.

- The Management Committee will not accept for safe keeping any article that may be left on the premises after a function has finished.
- The Management Committee will not be liable for any loss or damage to individuals or property arising during or in connection with the hire. Hirers are advised to ensure sufficient appropriate Insurance cover for their event.

Those attending the Hire are responsible for the safety of their vehicles and the contents thereof, and TOES will not in the absence of liability accept any responsibility for loss or damage caused to vehicles or their contents during or in connection with the hire.

Subject to availability, vehicles may temporarily use one of the designated church ministers parking bays in Church Place for the purpose of loading or unloading materials connected with the hire, but such vehicles should be removed and parked elsewhere throughout the duration of the function.

No vehicles are to obstruct Church Place or park adjacent to TOES as Emergency Service access is required at all times

GENERAL

The Hirer shall have use of the accommodation for the period and purposes stated in the booking form only, and he or she will be responsible for ensuring that the premises are vacated by the finishing time stated at the time of booking.

Unless another Hirer has a booking, the Management Committee may allow a Hirer to leave goods or equipment on the premises overnight before or after a function.
